

MATHS CASE STUDY C CONT...

The programme included

- A half a day with Human Resource Department, involving discussions with various members of staff
- A tour of the business, looking at how the organisation and structure works
- Talks with key members of staff
- Follow-up discussions, involving the use of resources produced by Endsleigh and the Chelsea Building Society

Outcomes:

- More work experience placements
- Materials to use in the classroom
- Contacts to come back into school to talk to students

This programme could be adapted to a number of local insurance companies and building societies.
